

SATISFACTORY ACADEMIC PROGRESS

Good Standing

Students are considered to be in good academic standing as long as they have met all of the requirements to continue in the program, have not been placed on academic warning and are permitted by their Dean to remain in a graduate degree program. Students who do not maintain good standing are subject to the following:

Policy

Students enrolled in Master's programs must meet all the following criteria to advance in their programs of study:

1. Maintain an overall Grade Point Average (G.P.A.) of not less than 3.0. Students who do not meet this criterion will not be eligible to continue in the program and will be subject to the process identified below.
2. Successfully complete all coursework.
3. Maintain the professional and ethical standards of the profession, the college, and the accrediting agencies as applicable to the specific program of study.

I. Grievances Specifically Excluded from this Process

1. Complaints directly related to academic integrity, grade appeal, student grievance, student code of conduct, student-athlete code of conduct, and matters controlled by NUSGA bylaws are exempt from this policy and should be resolved via the procedures in the relevant policies and controlling documents.
2. Students concerned that their lack of progress was based in part or wholly on the basis of discrimination based on race, color, gender, sexual orientation, military status, disability, predisposing genetic characteristics, marital status, or other status, should consult the Title IX Coordinator before taking any action under this policy.

II. Oversight of the Graduate Student Eligibility Policy

If any situation occurs that is not covered in the procedure of this policy, the academic dean of the college in which the program resides, in consultation with the provost, will issue guidance consistent with the overall fair and respectful spirit of the policy. This decision regarding the procedure to be followed will be final.

III. Revision of this Policy

Any revision of this policy must be approved by the provost in consultation with the academic deans for each college and from the Academic Senate.

IV. General Student Guidelines

1. In general, it is the responsibility of the student to contest a dismissal on his or her behalf.
2. To demonstrate adherence to deadlines, students are required to make requisite submissions via official Niagara University email accounts.

Procedure

Actions Resulting in Warning and/or Dismissal

I. Failure to Achieve a Minimum G.P.A. of 3.0 in Each Semester of Study

Students will be reviewed for satisfactory academic progress after completion of nine (9) graduate credit hours. If the student's GPA is below a 3.0, the student will be placed on Academic Warning. A student who is placed on academic warning must, during the next nine (9) credit hours of study, raise his or her overall GPA to a minimum of 3.0. This may require students to retake certain courses. Students may, in accordance with the Graduate Course Retake Policy, repeat up to a maximum of two courses. This policy does not replace the requirement to maintain a minimum 3.0 overall GPA.

If the student's GPA is still below a 3.0 after eighteen (18) graduate credit hours, the student will be subject to dismissal. Each dean of a college in which a graduate program is located will review the satisfactory academic progress of his or her graduate students to ensure compliance with this policy.

Students who are below a GPA of 3.0 after nine (9) graduate credit hours of completed graduate coursework will be notified of their academic status. Students who are below a GPA of 3.0 after eighteen (18) graduate credit hours of completed graduate coursework will be dismissed, subject to appeal. A notice of dismissal will be provided within 10 university days (counted as Monday through Friday) after the final day for the submission of grades. This decision may be appealed in accordance with the Appeal Process listed below.

II. Failure to Successfully Complete all Coursework

A maximum of two (2) final grades below a B- will be permitted. Students who have earned more than two (2) grades below B- must, retake the number of courses required to bring them into compliance with this requirement up to a maximum number allowed under the Graduate Course Retake Policy. Students who do not meet this requirement will not be eligible to continue in the program and will be dismissed from the university. When a student receives a second grade below a B- he or she will be placed on academic warning.

A student who is placed on academic warning must, during the next nine (9) credit hours of study, must resolve the issue of grades below a B- pursuant to applicable university policies. This policy does not replace the requirement to maintain a minimum 3.0 overall GPA.

If the student has not resolved the issue within the next nine (9) graduate credit hours, the student will be subject to dismissal. Each dean of a college in which a graduate program is located will review the program progression of his or her graduate students to ensure compliance with this policy. Students who have not resolved this issue will be dismissed from the university. A notice of dismissal will be provided by the dean within 10 university days after the final day for the submission of grades. This decision may be appealed in accordance with the Appeal Process listed below.

III. Maintain All Program Requirements

Each program shall set its own requirements and standards. As such there may be additional requirements beyond those specifically stated above that must be successfully attained. It is the responsibility of the student to verify program requirements with the program director, chair or dean.
