

CRIMINAL JUSTICE ADMINISTRATION, M.S.

Program of Study

The master of science degree in criminal justice administration consists of an 11-course sequence totaling 33 credit hours. All courses earn three credits. All classes are offered at 4 p.m. or later, and convenient class scheduling permits students to take two courses on some class evenings.

Six of the 11 courses are core requirements, the remainder are electives. The master's degree program is designed for completion in one calendar year for full-time students and three calendar years for part-time students.
