

MBA / PROFESSIONAL ACCOUNTANCY

Niagara University offers a two-year 69 credit hours program for students who have completed a non-accounting undergraduate degree and wish to have a professional career in the field of accounting. Students completing this program will be eligible to sit for the CPA exam in New York state.

The program requires 33 credit hours in accounting and 36 credit hours in other business courses and is designed to be completed in as little as 24 months; non-accounting business students may complete the state licensure requirements with less than 69 credit hours of course work. To accommodate students who are currently working full-time, courses will be offered at convenient times, including week nights and accelerated (5-week) Saturday sessions.
