

EARLY CHILDHOOD AND SPECIAL EDUCATION, M.S.ED. (BIRTH-GRADE 2)

This 37-credit program leads to initial/professional certification in teaching early childhood education and students with disabilities from birth through grade 2. Candidates must hold a current teaching certificate to be admitted and therefore may also use this degree to satisfy requirements for professional certification. Graduates of the program will be able to serve as teachers, leaders and directors of early childhood programs and development specialists in a variety of early childhood and educational settings.
