

# TUITION AND FEES

---

Tuition and fees are delineated below. All candidates in Ontario programs are required to sign a registration agreement that identifies the tuition rate. A monthly payment plan is required for candidates in the Ontario programs. Current rates may be obtained from the appropriate director or the Office of Student Accounts.

## Additional Information

The board of trustees of NU reserves the right to alter the schedule of fees. Payments are to be made monthly by money order or credit cards payable to Niagara University. Please refer to your program information for additional information. Failure on the part of any student to settle any outstanding account in full may prevent that student from receiving academic credit, professional certificates, transcripts of records, recommendations, or any degree.
