

# ACCESSIBILITY SERVICES FOR ONTARIO STUDENTS

---

Graduate students with documented disabilities are eligible to receive reasonable accommodations such as time extensions for tests, in-class notetaking support, and other types of accommodations each semester. Students must contact the Accessibility Services staff each semester to request assistance. Individuals with disabilities seeking accommodations, adjustments, and/or auxiliary aids and services must contact and provide documentation of disability to the office of accessibility services, Academic Success Center, Seton Hall; P.O. Box 1915; Niagara University, NY 14109; 716-286-8072; (fax) 716-286-8063; [accessibilityservices@niagara.edu](mailto:accessibilityservices@niagara.edu) ([accessibilityservices@niagara.edu](mailto:accessibilityservices@niagara.edu))

A student with a disability is responsible for disclosing and documenting the current substantial limitation(s) they are likely to have in the university setting. Documentation must be submitted from a qualified professional and must support the student's need for accommodations/services. Eligibility for reasonable and appropriate accommodations will be determined on an individual basis. Depending on the disability and the type of assistance requested, a student may be referred to additional university service providers as needed.
