

FIELDS OF GRADUATE STUDY

Niagara University in Ontario has three graduate divisions:

- Arts and Sciences
- Business Administration
- Education

The Graduate Division of Arts and Sciences offers a program leading to a M.S. in Information Security and Digital Forensics. The Graduate Division of Business Administration offers programs leading to a M.B.A. degree with concentrations in accounting, finance, strategic marketing, strategic management, healthcare administration, and global supply chain management. In addition, to the M.B.A. it also offers a M.S. in Finance.

The Graduate Division of Education offers a Master of Science in Educational Leadership (M.S.Ed.).
