## **MULTICULTURAL STUDIES**

## Goals

Individuals graduating in the 21 st century are confronting an increasingly diverse world. As a result, there is a corresponding increase in the need to prepare a workforce with the appropriate knowledge, skills, and values to navigate this diversity. The multicultural studies program will introduce students to different cultural, ethnic and social groups from the perspective of two or three academic disciplines. Students pursuing multicultural studies will gain a greater appreciation of these diverse cultural and ethnic groups and will, therefore be better prepared to work with diverse populations in a variety of fields including not-for-profit government, or business.
