

NURSING, PRE-LICENSURE PROGRAM (FOUR-YEAR AND ASDBS ACCELERATED)

The pre-licensure program has two tracks: a traditional and an accelerated second degree option.

Traditional Bachelor of Science in Nursing

This is a four-year program of study that combines specialized nursing courses with a liberal arts general education core, and includes clinical experiences with partnering health care agencies.

Accelerated Nursing (ASDBS)

The Accelerated Nursing Program is for individuals who have received a bachelor of arts or a bachelor of science from an accredited university/college and wish to pursue a career in nursing. This rigorous program runs from January to January and requires full-time student status.

Code	Title	Credits
General Education Requirements Four-year Program		
NUB 102	NU Beginnings ¹	1
Foundation Courses (http://catalog.niagara.edu/undergraduate/curriculum/foundation-courses/)		27
Distribution Courses (http://catalog.niagara.edu/undergraduate/curriculum/general-education-distribution-courses/)		33
Non-Nursing Major Requirements Four-year Program		
BIO 212 & BIO 213L	Microbiology and Microbiology Lab	4
BIO 231 & BIO 233L	Anatomy & Physiology I and Anatomy & Physiology Lab I	4
BIO 232 & BIO 233L	Anatomy & Physiology II and Anatomy & Physiology Lab I	4
PSY 201	Developmental Psychology	3
MAT 102	Intro Statistics	3
CHE		3
